PROFESSIONAL SUMMARY

Finance Manager with 3+ years transforming financial disorder into strategic advantage for family businesses and startups. Cut operating costs from 64% to 53% and grew operating profit from 36% to 47% — simultaneously. Built Rhythm Integrated Solutions' full finance department from zero, manages a 35M+ EGP capital base, leads a team of 8, and founded "CFO Assistant" — a proprietary digital tool automating KPI reporting and cash flow alerts. Known for the Profitability Gate model enforcing 40%+ gross margin on every project before execution approval.

PROFESSIONAL EXPERIENCE

Finance Manager Rhythm Integrated Solutions · Full-time · 3rd Promotion in 2.5 years - Owns full P&L, liquidity systems, and profitability controls — managing a 35M+ EGP capital base across projects averaging 5M EGP each. - Reduced operating expenses from 64% to 53% through daily cost monitoring, procurement controls, and waste elimination. - Grew operating profit margin from 36% to 47% — an 11-point improvement achieved through structural financial controls. - Leads a team of 8 direct reports across accounting, reporting, and financial operations. - Enforces the "Profitability Gate": every project must clear 40%+ gross margin before execution is approved. - Founded "CFO Assistant" — proprietary tool automating KPI dashboards, variance alerts, and cash flow reporting. - Consistently closes the monthly books between Day 4–10 — enabling real-time leadership decisions.	Apr 2025 – Present
Account Manager Rhythm Integrated Solutions · Cairo HQ · 2nd Promotion - Handpicked to relocate to Cairo HQ and build the central accounting department from zero. - Cleaned and reconciled all legacy ghost balances — created the first reliable financial foundation in company history. - Supervised full accounting operations and cross-departmental financial coordination.	Aug 2024 – Mar 2025
Branch Accountant Rhythm Integrated Solutions · On-site · 1st Promotion — after 8 months - Managed all branch financial operations independently — AP, AR, and cash flow. - Delivered results that earned direct relocation and promotion to Cairo HQ within 8 months.	Dec 2023 – Jul 2024
Accountant Smile Patisserie - Handled full-cycle accounting: branch, treasury, fixed assets, inventory, and store reconciliations. - Analyzed product cost accounting to support pricing — directly impacting margin decisions.	Dec 2022 – Dec 2023

KEY ACHIEVEMENTS

- ◆ Promoted 3 times in 13 months — from Accountant to Finance Manager — by delivering measurable results at each level.
- ◆ Cut operating costs from 64% to 53% through daily cost monitoring, procurement discipline, and waste elimination.
- ◆ Grew operating profit margin from 36% to 47% simultaneously — proving efficiency and growth can be engineered together.
- ◆ Built the entire finance department of Rhythm Integrated Solutions from zero — policies, systems, controls, team of 8.

- ◆ Invented the "Profitability Gate": pre-execution filter ensuring every project clears 40%+ gross margin — adopted company-wide.
- ◆ Founded "CFO Assistant": proprietary platform replacing manual reporting with automated KPI dashboards and cash flow alerts.
- ◆ Identified monthly breakeven thresholds providing early warning signals — prevented at least one liquidity crisis.
